Dear Customer,

REF: QUOTATION FOR CONSTRUCTION OF TEMPORARY OVER HEAD THREE PHASE LT. LINE, R/L
17M, TO SUPPLY POWER TO M/S SALUM MFAUME SALUM

Your application for construction of temporary THREE PHASE Low voltage line to supply power to your premises at JOJO (KARIBU NA T/F YA JOJO) has been accepted and you are required to pay an amount of TZS 912,014.00 (Nine Hundred And Twelve Thousand And Fourteen Only) being charges for service line cost as per the following breakdown:-

S/N Description	Amount (TZS)
1. Service line cost	772,893.22
2. VAT (18%)	139,120.78
3. TOTAL	912,014.00

Please note that the Company reminds you to undertake to pay any extra charges not covered in this quotation (Charges not within standard estimates) as may be reasonably incurred by the company when carrying out this work.

Upon receipt of the payments we will put the work in our implementation schedule.

Please note the following:-

1. Energy meter must be installed at accessible place outside the building.
2. Cut-out must be installed after energy meter and not before.
3. Lead in wire has to be clearly visible throughout.
4. All material/equipment up to energy meter shall remain the property of TANESCO.
5. This quotation will be valid only for 3 months from the date received.

Yours Faithfully,
For: **TANZANIA ELECTRIC SUPPLY COMPANY LIMITED**
