5. GENERAL CONDITIONS OF CONTRACT

Clause 1: Contract Documents

The Conditions of Contract and the Specifications form an integral part of the Contract Documents and they are to be read in conjunction with all other documents forming the Contract. In cases where there appears a conflict the priority of the documents shall be as stated in **Clause 6** of these Conditions of Contract.

Clause 2: Definitions

In these Conditions of Contract the following expressions shall have the meanings assigned to them as hereunder:

Employer National Museum of Tanzania

Engineer means the person appointed by the Employer, who is responsible for supervision of the Works and administering the Contract

Engineer's Representative means the person appointed by the Engineer who is responsible for supervision of the Works

Contractor means the person or persons or firm whose tender has been accepted by the Employer.

Works means the works to be executed in accordance with the contract.

Clause 3: Instructions

Instructions given by the Engineer shall be in writing or in electronic forms that provide record of the content of communication. If for

any reason such instruction is given orally the Contractor shall comply with such instruction. Within a period of **7 days**, the orally given instructions shall be confirmed in writing or in electronic forms that provide record of the content of communication.

Clause 4: Language

All notices, instructions, correspondence or any other written documentation concerning the contract shall be in English or Swahili as the parties may agree provided that all such documents to be provided for a contract executed in co-operation with a loan or grant source shall be in English.

Clause 5: Applicable Law

The contract, its meaning, interpretation and execution shall be governed by the laws of the United Republic of Tanzania.

Clause 6: Priority of Contract Documents

The several documents forming the contract are to be taken as mutually explanatory of one another but in case of discrepancy the priority of the documents shall be as follows:

1. Form of Agreement;
2. Letter of Acceptance;
3. Quotation Submission Form
4. Contract Data/ Special Conditions
5. General Conditions of Contract
6. Specifications
7. Drawings
8. Priced Bill of Quantities
9. Any Other document forming part of the Contract.

GENERAL OBLIGATIONS

Clause 7: Execution of Works

The Contractor shall supply all labour, tools, plant, transport, materials and whatever is required for the completion of the works including water and power supply. He shall carry out the works in accordance with the requirements of the contract documents, and such additional instructions as may be issued from time to time.

Clause 8: Adverse Physical Conditions

If during the execution of the works, the Contractor encounters adverse physical conditions other than climatic conditions which were not reasonably foreseeable by the Contractor; the Engineer shall determine any extension of time to which the Contractor is entitled.

Clause 9: Sub-contracting

The Contractor shall not sub-contract the whole or part of the work under this contract without prior written approval of the Employer. Such approval shall not relieve the Contractor from any liability or obligation under the contract and the Contractor shall be responsible for default or neglect of any of the sub-contractor(s).

Clause 10: Supervision of Works by Contractor

The Contractor shall execute the works with due diligence and comply with the standard of performance required by the Engineer so as to meet the specific requirements of quality, quantity and time frame. If at any time the Engineer observes laxity or serious departures from set norms, appropriate action(s) shall be taken by the Contractor to correct the situation.

Clause 11: Inspection

The Engineer or his authorized representative has the right to inspect the works and the Contractor shall provide reasonable assistance for the same as and when required by the Engineer.

Clause 12: Rejected Works

Works not in compliance with the requirements of the contract will be rejected. On the instruction of the Engineer, the Contractor shall at his own cost repair or correct or re-execute such rejected work to the full satisfaction of the Engineer.

Clause 13: Insurances

The Contractor shall provide, in the joint names of the Employer and the Contractor, insurance cover for loss or damage to Contractors equipment and plant, Materials and for compensation of personal injury or death.

Clause 14: Liabilities of the Contractor

The Contractor shall keep the Employer harmless against all claims arising from loss or damage to third parties. He shall fully indemnify the Employer against any liability arising under the Employment and Workmen's Compensation Ordinances.

Clauses 15: Force Majeure

15.1 Notwithstanding the provisions of GCC Clauses 26 and 228, the Contractor shall not be liable for liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

15.2 For purposes of this Clause, "Force Majeure" means an event beyond the control of the Contractor and not involving the Contractor's fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the Employer in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

15.3 If a Force Majeure situation arises, the Contractor shall promptly notify the Employer in writing or in electronic forms that provide record of the content of communication of such condition and the cause thereof. Unless otherwise directed by the Employer in writing or in electronic forms that provide record of the content of communication, the Contractor shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

15.4 In the event of any loss or damage happening from any operation of the forces of nature against which the parties to the contract could not reasonably have foreseen, the Contractor shall rectify the loss or damage. The Employer shall determine an addition to the contract price and may consider an extension of the contract period.

Clause 16: Quality of Materials and Workmanship

All materials and workmanship shall be of the respective kind and quality as provided for in the contract and in accordance with the Engineer's instructions and subjected to such tests as the Engineer may require. The Contractor shall provide, free of charge, all assistance necessary for material testing and shall be responsible for meeting all costs of required testing.

Clause 17: Access to Materials

The Contractor shall identify all sources of materials required for works prior to the commencement of the works. The Employer shall where required facilitate access to such sources. The Contractor shall not use materials without prior written authorization of the Engineer.

Clause 18: Clearance of Site

Upon completion of the works the Contractor shall remove from the site all equipment, tools, surplus materials, rubbish and temporary works and shall have the site clean and in a condition satisfactory to the Engineer.

Clause 19: Health and Safety and Protection of the Environment.

The Contractor shall through the contract period have full regard for the health and safety of the working zone and all persons entitled to be on the site and to keep the site in an orderly state to avoid any danger to such persons.

The Contractor shall comply with all the existing environmental requirements and regulations as stipulated by the Government of Tanzania.

Clause 20: Commencement and Completion of Work.

The Contractor shall commence and complete the works within the time specified in the Contract Data or within an extended contract period if such extended time is allowed by the Employer.

Clause 21: Variation

Upon the approval of the Employer, the Engineer may make any variation of the form, quality or quantity of the works and he shall have the authority to instruct the Contractor accordingly. Such variation(s) shall be through a Variation Order to the Contract. The Engineer shall determine the amount (if any) which in his opinion should be added to or deducted from the sum named in the contract in respect of any extra or additional work done or work omitted by such order. The amount so determined shall be based on the tender unit rates or in case no unit rate is applicable, such other rate as will be determined by the Engineer and agreed upon between the Employer and the Contractor.

PAYMENTS

Clause 22: Quantities

The quantities set out in the Bill of Quantities are the estimated quantities for the works and they are not to be taken as the actual and correct quantities to be executed by the Contractor.

The Engineer shall determine by measurement the value of the actual works and he shall pay for the works in compliance with such measurement at the contractually stipulated unit cost.

Limit within the quantities may vary and hence exceed the contract sum but requiring no approval of the Tender Board shall be fixed i.e. $\pm 10\%$.

Clause 23: Payments

23.1 Advance Payment

An advance payment of 15% of contract value may be provided if so specified in the Contract Data upon submission of acceptable collateral. This advance payment will be deducted in equal instalments against each bill submitted by the Contractor, and shall be wholly recovered.

23.2 Interim Payments

Payments will be made to the Contractor through interim certificates if the completed works are in compliance with the terms of the contract. With each interim certificate, retention money of *amount stated in the Contract Data* will be withheld up to a maximum of 10% of contract price. Such retention money will be released together with the final payment certificate.

The amount due to the Contractor under any Interim Certificate shall be paid by the Employer to the Contractor within **14 working days** after approval of the interim certificate by the Engineer.

23.3 Final Payment

The Final payment certificate shall be effected within 28 working days after the date such document has been approved by the Employer, provided that all works, corrections and repairs, if any, have been executed to the satisfaction of the Engineer.

23.4 Delayed Payments

If the Employer fails to make payment within the time stated the Employer shall pay to the Contractor interest at the rate stated in the Contract Data.

23.5 Deductions to Payments

The Employer shall be entitled to deduct any sums, advances or debts recoverable from the Contractor to the Employer from any sums payable by the Employer to the Contractor under this contract or any other contract provided always that this provision shall not affect any other remedy by action at law or otherwise by which the Employer may be entitled to the recovery of any such moneys.

23.6 Payment to Workmen

In case of failure of payment of wages or any other compensation due to the workmen and/or rental fees for plant/ equipment/ vehicle hire and material under this contract the Employer shall be entitled to withhold payments from the Contractor. The Employer shall make use of such withheld payments to pay the Contractor's workmen, their wages or other compensation and/or outstanding rental fees and such payments shall be treated as the payment received from the Employer by the Contractor under this contract.

Clause 24: Liquidated Damages

If the Contractor fails to perform the works within the time stated in the contract or within any extended time allowed for by the Employer the Contractor shall pay to the Employer as Liquidated Damages at a rate of 0.1% of the Contract price per day to a maximum of 10% of contract price.

Clause 25: Settlement of Disputes

If disputes arise they shall be settled by mutual discussions. If the discussions fail to produce an agreement, either party has the option to go for arbitration in accordance with the laws of Tanzania.

Clause 26: Termination of Contract

28.1 If the Contractor fails to commence the works within the specified time or there are reasons to believe that he may not complete the works within the specified time or there are delays beyond the completion date or he fails to comply with any one of the contract conditions or he pays no attention to the instructions issued by the

Engineer or he becomes bankrupt, the Employer shall be entitled to terminate the contract and engage a new Contractor to carry out the works.

28.2 If the Employer fails to pay the Contractor within 60 days of the date of the Engineer's certificate, the Contractor may terminate the contract

Clause 27: Payment if Contract Terminated

If the contract shall be terminated, the Contractor shall be paid by the Employer, in so far as such amounts or items shall not have already been covered by payments on account made to the contractor, for all work executed prior to the date of termination at the rates and prices provided in the contract. Provided always that against any payments due from the Employer under this clause the Employer shall be entitled to be credited with any outstanding balances due from the contractor for advances in respect of plant/equipment/vehicles and materials and any sum previously paid by the employer to the contractor in respect of the execution of the works.

Clause 28: Assignment

The Contractor shall not assign, in whole or in part, its obligations to perform under this Contract, except with the prior written consent of the Purchaser.

Clause 29: Notices

31.1 Any notice given by one party to the other pursuant to this Contract shall be sent to the other party in writing or in electronic forms that provide record of the content of communication and confirmed in writing or in electronic forms that provide record of the content of communication to the other party's address specified in the Local Purchase Order.

31.2 A notice shall be effective when delivered or on the notice's effective date, whichever is later.

Clause 30: Change of Laws and Regulations

If after the date invitation to quotations, any law or regulation changed in United Republic of Tanzania (which shall be deemed to include any change in interpretation or application by competent authorities) that subsequently affects the duration of the contract and/or the contract price, then such duration and/or contract price shall be correspondingly increased or decreased, to the extent that the Contractor has thereby been affected in the performance of any of its obligations under the contract.

STANDARD POWER OF ATTORNEY

TO ALL IT MAY CONCERN

THAT BY THIS POWER OF ATTORNEY given on the 13th day of December, 2021.

We the undersigned **LORENZO ACADEMY TAXIDERMISTS** of Box 11048 Arusha, by virtue of authority conferred to us by the Board Resolution No. 06 of 10th day of December, 2021, do hereby ordain, nominate and appoint **BALTAZARY RASHID MCHOMVU** of P.O. Box 11048 Arusha, to be our true and lawful Attorney and Agent, with full power and authority, for us and in our names, and for our accounts and benefits, to do any, or all of the following acts, in the execution of **QUOTATION No. PA/062/2021-2022/HQ/W/2** that is to say;

To act for the company and do any other thing or things incidental for **QUOTATION No. PA/062/2021-2022/HQ/W/2 FOR ESTABLISHMENT OF TEMBO EXHIBITION AT NATIONAL NATURAL HISTORY MUSEUM PHASE II UNDER DESIGN AND BUILD FOR THE NATIONAL MUSEUM OF TANZANIA.**

AND provided always that this Power of Attorney shall not revoke or in any manner affect any future power of attorney given to any other person or persons for such other power or powers shall remain and be of the same force and affect as if this deed has not been executed.

AND we hereby undertake to ratify everything, which our Attorney or any substitute or substitutes or agent or agents appointed by him under this power on his behalf herein before contained shall do or purport to do in virtue of this Power of Attorney.

SEALED with the common seal of the said **LORENZO ACADEMY TAXIDERMISTS** and delivered in the presence of us this 13th day of December, 2021.

IN WITNESS whereof we have signed this deed on this 13th day of December, 2021 at Arusha for and on behalf of **LORENZO ACADEMY TAXIDERMISTS.**

SEALED and DELIVERED by the Common Seal of **LORENZO ACADEMY TAXIDERMISTS** this 13th day of December, 2021.

BEFORE ME:
