

PRESS RELEASE

The 4th African Association of Accountants General (AAAG) Annual International Conference – 30th November to 4th December 2026, in the Kingdom of Eswatini.

The Ministry of Finance of the United Republic of Tanzania is pleased to inform the general public that the Kingdom of Eswatini will host the 4th Annual International Conference of the African Association of Accountants General (AAAG), to be held at the Ezulwini Palazzo International Conference Centre (ICC) in Ezulwini, the Kingdom of Eswatini.

The conference will be held under the theme "From Reform to Results: Driving Accountable, Impactful and Resilient Public Finance in Africa", bringing this conversation to the heart of Africa's public finance community. Its primary objective is to facilitate the exchange of experiences, gather constructive feedback, and enable participating countries to establish clear and actionable resolutions for future progress.

AAAG is committed to enhancing financial management processes across the continent by promoting transparency and accountability and by strengthening the government accounting profession.

Registration for the conference is now officially open. Interested participants may register online through the official conference [website: www.conference.aaag.africa](http://www.conference.aaag.africa). Upon successful registration, participants will receive an official invitation letter together with an invoice containing the necessary bank details for payment.

Conference fees fall into two categories:

- Standard Registration (1 September – 30 October 2026): USD 600
- Late Registration (1 November 2026 onwards): USD 650

The conference fee does not cover accommodation or travel costs for delegates.

Please note that delegate data validation will commence on Saturday, 28 November 2026. Cash will not be accepted at the conference.
