

ANNOUNCEMENT

The 3rd African Association of Accountants General (AAAG) Annual International Conference From 24th to 27th November, 2025, in Accra Ghana.

The Ministry of Finance of the United Republic of Tanzania is pleased to inform the general public that Ghana will host the 3rd Annual International Conference of the African Association of Accountants General (AAAG). The conference is scheduled to take place at the Accra International Conference Centre (AICC) in Accra, Ghana.

The conference will be held under the theme: **"Africa of Tomorrow: Positioning Public Financial Management (PFM) for Economic Prosperity."** Its primary objective is to facilitate the exchange of experiences, gather constructive feedback, and enable participating countries to establish clear and actionable resolutions for future progress.

AAAG is committed to enhancing financial management processes across the continent. This is achieved by promoting transparency and accountability, and by strengthening the government accounting profession.

Registration for the Conference is now officially open. Interested participants can register online via the official conference **website: www.conference.aaag.africa**. Upon successful registration, participants will receive an official invitation letter along with an invoice containing the necessary bank details for payment. Conference fees are divided into two categories;

Standard Registration (September 1– November 14, 2025): USD 600

Late Registration: (November 15, 2025 onward): USD 650.

The Conference Fee excludes accommodation and travel costs for delegates

Please be advised that delegate data validation will commence on Saturday, 22 November 2025. Note that cash will not be accepted at the Conference.
