## SECTION 3: GENERAL CONDITIONS OF THE CONTRACT (GCC)

GENERAL CONDITIONS OF THE CONTRACT (GCC)

| 1. | Definitions | 1.1 | The following words and expressions shall have the meanings hereby assigned to them: |  |
| :---: | :---: | :---: | :---: | :---: |
|  |  |  | a) | The Adjudicator is the person appointed by the appointing authority specified in the Special Conditions of Contract (SCC), to resolve contractual disputes in the first instance, and as provided for in General Conditions of the Contact (GCC) 31 hereunder. <br> The Arbitrator is the person appointed by the appointing authority specified in the SCC, to resolve contractual disputes. <br> "The Contract" means the agreement entered into between the Procuring Entity (PE) and the Supplier, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein. <br> The Commencement Date is the date when the Supplier shall commence execution of the contract as specified in the SCC |
|  |  |  | e) | "Completion" means the fulfillment of the related services by the Supplier in accordance with the terms and conditions set forth in the contract |
|  |  |  | f) | The Contract Price is the price stated in the Letter of Acceptance and thereafter as adjusted in accordance with the provisions of the Contract Days are calendar days <br> A Defective Goods are those goods which are below standards, requirements or specifications stated by the Contract. |
|  |  |  | h) | "Delivery" means the transfer of the goods from the supplier equipment, machinery, and /or other materials which the Supplier is required to supply to the PE under Contract. <br> "Effective Contract date" is the date shown in the Certificate of Contract Commencement issued by the Employer upon fulfillment of the conditions precedent stipulated in GCC 3. |

|  |  |  | "The Purchaser" means the person named as purchaser in <br> the SCC and the legal successors in title to this person |
| :--- | :--- | :--- | :--- |
|  | k) | "The Related Services" means those services ancillary to <br> the supply of the Goods, such as transportation and <br> insurance, and any other incidental services, such as <br> installation, commissioning, provision of technical <br> assistance, training, initial maintenance and other such <br> obligations of the Supplier covered under the Contract. |  |
|  |  | I) | "GCC" means the General Conditions of Contract contained <br> in this section. <br> m) |
|  |  | n) | The Intended Delivery Date is the date on which it is <br> intended that the Supplier shall effect delivery as specified <br> in the SCC |
| "SCC" means the Special Conditions of Contract. |  |  |  |
|  | o) | "The PE" means the entity purchasing the Goods and <br> related service, as named in SCC. |  |
| p) | "The Supplier" means the individual private or <br> government entity or a combination of the above whose |  |  |
| Tender to perform the contract has been accepted by the |  |  |  |
| PE and is named as such in the Contract Agreement, and |  |  |  |
| includes the legal successors or permitted assigns of the |  |  |  |
| supplier and shall be named in the SCC. |  |  |  |

$\left.\begin{array}{|l|l|l|l|}\hline & & & \text { w) } \begin{array}{ll}\text { wn event which is beyond the reasonable control of a } \\ \text { Party, is not foreseeable, is unavoidable, and its origin is } \\ \text { not due to negligence or lack of care on the part of a } \\ \text { Party, and which makes a Party's performance of its } \\ \text { obligations hereunder impossible or so impractical as } \\ \text { reasonably to be considered impossible in the } \\ \text { circumstances. and includes, but is not limited to, war, } \\ \text { riots, civil disorder, earthquake, fire, explosion, storm, } \\ \text { flood, epidemics, or other adverse weather conditions, } \\ \text { strikes, lockouts or other industrial action (except where } \\ \text { such strikes, lockouts or other industrial action are within } \\ \text { the power of the Party invoking Force Majeure to prevent), } \\ \text { confiscation or any other action by Government agencies. } \\ \text { Specification means the Specification of the Works }\end{array} \\ \text { included in the Contract and any modification or addition } \\ \text { made or approved by the Project Manager. } \\ \text { The Supplier is the person, whether natural or legal } \\ \text { whose Tender to deliver goods or services has been }\end{array}\right\}$

|  |  |  | GCC 7.1 shall remain the property of the PE and shall be <br> returned (all copies) to the PE on completion of the Supplier's <br> performance under the Contract if so required by the PE. |
| :--- | :--- | :--- | :--- |
|  | 8.4 | The Supplier shall permit the Government of the United <br> Republic of Tanzania or / and donor agencies involved in <br> financing the project to inspect the Supplier's accounts and <br> records relating to the performance of the Supplier and to have <br> them audited by auditors appointed by the Government of the <br> United Republic of Tanzania or / and the appropriate donor <br> agencies, if so required by the Government of the United <br> Republic of Tanzania or / and the appropriate donor agencies. |  |
| 9. | Patent and <br> Copy Rights | 9.1 | The Supplier shall indemnify the PE against all third-party <br> claims of infringement of patent, trademark, or industrial <br> design rights arising from use of the Goods or any part thereof <br> in the United Republic of Tanzania. |
| $\mathbf{1 0 . 2}$ | Performance <br> Security | The patent right in all drawings, documents, and other <br> materials containing data and information furnished to the PE <br> by the Supplier herein shall remain vested in the supplier, or, if <br> they are furnished to the PE directly, or through the Supplier by <br> any third party, including suppliers of materials, the patent <br> right in such materials shall remain vested in such third party. |  |
| 10.1 | The Performance Security shall be provided to the Employer no <br> later than the date specified in the Letter of Acceptance and <br> shall be issued in an amount and form and by a bank or surety <br> acceptable to the Employer, and denominated in the types and <br> proportions of the currencies in which the Contract Price is <br> payable as specified in the SCC. |  |  |
| The proceeds of the performance security shall be payable to |  |  |  |
| the PE as compensation for any loss resulting from the |  |  |  |
| Supplier's failure to complete its obligations under the Contract. |  |  |  |$|$

|  | 10.5 | Where circumstances necessitate the amendment of the <br> contract after signature, and such amendment is effected, the <br> PE shall require the Supplier to provide additional Performance <br> Security to cover any cumulative increase of more than ten <br> percent of the initial Contract Price. |  |
| :--- | :--- | :--- | :--- |
| 11. | Inspections <br> and Test | 11.1 | The PE or its representative shall have the right to inspect and <br> /or to test the Goods to confirm their conformity to the <br> Contract specifications at no extra cost to the PE. SCC and the <br> Technical Specifications shall specify what inspections and tests <br> the PE shall notify the Supplier in writing or in electronic forms <br> that provide record of the content of communication, in a <br> timely manner, of the identity of any representatives retained <br> for these purposes. |
| The inspections and tests may be conducted on the premises of |  |  |  |
| the Supplier or its subcontractor(s), at point of delivery, and/or |  |  |  |
| at the Goods' final destination. If conducted on the premises of |  |  |  |
| the Supplier or its subcontractor(s), all reasonable facilities and |  |  |  |
| assistance, including access to drawings and production data, |  |  |  |
| shall be funnished to the inspectors at no charge to the PE. |  |  |  |$|$

|  |  |  | including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the PE. |
| :---: | :---: | :---: | :---: |
| 13. | Delivery and Documents | 13.1 | Delivery of the Goods shall be made by the Supplier in accordance with the terms specified in the Schedule of Requirements. The details of shipping and or other documents to be furnished by the Supplier as specified in SCC. |
|  |  | 13.2 | For purposes of the Contract, "EXW" "FOB" "FCA", "CIF", "CIP," and other trade terms used to describe the obligations of the parties shall have the meanings assigned to them by the current edition of INCOTERMS published by the International Chamber of Commerce, Paris. |
|  |  | 13.3 | Documents to be submitted by the Supplier are specified in SCC. |
| 14. | Insurance | 14.1 | The Goods supplied under the Contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage, and delivery in the manner specified in the SCC. |
| 15. | Transportation | 15.1 | Where the Supplier is required under Contract to deliver the Goods FOB, transport of the Goods, up to and including the point of putting the Goods on board the vessel at the specified port of loading, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price. Where the Supplier is required under the Contract to deliver the Goods FCA, transport of the Goods and delivery into the custody of the carrier at the place named by the PE or other agreed point shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price. |
|  |  | 15.2 | Where the Supplier is required under Contract to deliver the Goods CIF or CIP, transport of the Goods to the port of destination or such other named place of destination in the United Republic of Tanzania, as shall be specified in the Contract, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price. |
|  |  | 15.3 | Where the Supplier is required under the Contract to transport the Goods to a specified place of destination within the United Republic of Tanzania, defined as the Project Site, transport to such place of destination in the United Republic of Tanzania, including insurance and storage, as shall be specified in the Contract, shall be arranged by the Supplier, and related costs shall be included in the Contract Price. |
| 16. | Incidental Services | 16.1 | The Supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC: |
|  |  |  | a) Performance or supervision of on-site assembly and/or |

| 18. | Warranty | 18.1 | The Supplier warrants that the Goods supplied under the Contract are new, unused, of the most recent or current models and that they incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The Supplier further warrants that all Goods supplied under this Contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the PE , specifications) or from any act or omission of the Supplier, that may develop under normal use of the supplied Goods in the conditions prevailing in the United Republic of Tanzania. |
| :---: | :---: | :---: | :---: |
|  |  | 18.2 | This warranty shall remain valid for a period specified in the SCC after the Goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the Contract, or for a period specified in the SCC after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC. |
|  |  | 18.3 | The PE shall promptly notify the Supplier in writing or in electronic forms that provide record of the content of communication of any claims arising under this warranty. |
|  |  | 18.4 | Upon receipt of such notice, the Supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective Goods or parts thereof, without costs to the PE other than, where applicable, the cost of inland delivery of the repaired or replaced Goods or parts from EXW or the port or place of entry to entry to the final destination. |
|  |  | 18.5 | If the Supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the PE may proceed to take such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the PE may have against the Supplier under the Contract. |
| 19. | Payment | 19.1 | The method and conditions of payment to be made to the Supplier under this Contract shall be specified in SCC. |
|  |  | 19.2 | The Supplier's request(s) for payment shall be made to the PE in writing or in electronic forms that provide record of the content of communication, accompanied by an invoice describing, as appropriate, the Goods delivered and Services performed, and by documents submitted pursuant to GCC 13, and upon fulfillment of other obligations stipulated in the Contract. |
|  |  | 19.3 | Payments shall be made promptly by the PE, within sixty (60) days after submission of an invoice or claim by the Supplier. If |

|  |  |  |
| :--- | :--- | :--- |
|  | 19.4 | the PE makes a late payment, the Supplier shall be paid <br> interest on the late payment. Interest shall be calculated from <br> the date by which the payment should have been made up to <br> the date when the late payment is made at the rate as <br> specified in the SCC. |
| The currency or currencies in which payment is made to the |  |  |
| Supplier under this Contract shall be specified in SCC subject to |  |  |
| the following general principle: payment will be made in the |  |  |
| currency or currencies in which the payment has been |  |  |
| requested in the Supplier's Tender. |  |  |

| 22. | Contract <br> Amendments | 22.1 | Subject to GCC 20, no variation in or modification of the terms <br> of the Contract shall be made except by written amendment <br> signed by the parties. |
| :--- | :--- | :--- | :--- |
| 23. | Assignment | 23.1 | Neither the PE nor the Supplier shall assign, in whole or in part, <br> obligations under this Contract, except with the prior written <br> consent of the other party. |
| 24. | Subcontracts | 24.1 | The Supplier shall consult the Procuring Entity in the event of <br> subcontracting under this contract if not already specified in <br> the Tender. Subcontracting shall not alter the Supplier's <br> obligations. |
| 25. | Delays in the <br> Supplier's <br> Performance | 25.2 | Subcontracts must comply with the provision of GCC 5. |
| Delivery of the Goods and performance of Services shall be |  |  |  |
| made by the Supplier in accordance with the time schedule |  |  |  |
| prescribed by the Procuring Entity in the Schedule of |  |  |  |
| Requirements. |  |  |  |

| 26. | Liquidated <br> Damages | 26.1 | Subject to GCC Clause 28, if the Supplier fails to deliver any or <br> all of the Goods or to perform the Services within the period(s) <br> specified in the Contract, the Procuring Entity shall, without <br> prejudice to its other remedies under the Contract, deduct <br> from the Contract Price, as liquidated damages, a sum <br> equivalent to the percentage specified in SCC of the delivered <br> price of the delayed Goods or unperformed Services for each <br> week or part thereof of delay until actual delivery or <br> performance, up to a maximum deduction of the performance <br> security specified in SCC. Once the said maximum is reached, <br> the Procuring Entity may consider termination of the Contract <br> pursuant to GCC Clause 26. |
| :--- | :--- | :--- | :--- |
| 27. | Termination <br> for Default | 27.1 | The Procuring Entity or the Supplier, without prejudice to any <br> other remedy for breach of Contract, by written notice of <br> default sent to the concerned party may terminate the <br> Contract if the other party causes a fundamental breach of the <br> Contract. |
| 27.2 | Fundamental breaches of Contract shall include, but shall not <br> be limited to the following: |  |  |
|  |  | a)the Supplier fails to deliver any or all of the Goods within <br> the period(s) specified in the Contract, or within any <br> extension thereof granted by the Procuring Entity <br> pursuant to GCC Clause 24; or |  |
| the Supplier fails to perform any other obligation(s) under |  |  |  |
| the Contract; |  |  |  |

\text { will be prevented from performing its substantial obligation } \\
\text { under the contract by Force Majeure, it shall give a Notice to }\end{array}
$$ <br>
the other Party giving full particulars of the event and <br>

circumstance of Force Majeure in writing or in electronic forms\end{array}\right\}\)| that provide record of the content of communication of such |
| :--- |
| condition and the cause thereof. Unless otherwise directed by |
| the Procuring Entity in writing or in electronic forms that |
| provide record of the content of communication, the Supplier |
| shall continue to perform its obligations under the Contract as |
| far as is reasonably practical, and shall seek all reasonable |
| alternative means for performance not prevented by the Force |
| Majeure event. |

| 29. | Termination <br> for Insolvency | 29.1 | The Procuring Entity may at any time terminate the Contract <br> by giving written notice to the Supplier if the Supplier becomes <br> bankrupt or otherwise insolvent. In this event, termination will <br> be without compensation to the Supplier, provided that such <br> termination will not prejudice or affect any right of action or <br> remedy which has accrued or will accrue thereafter to the <br> Procuring Entity. |
| :--- | :--- | :--- | :--- |
| 30. | Termination <br> for <br> Convenience | 30.1 | The Procuring Entity, by written notice sent to the Supplier, <br> may terminate the contract, in whole or in part, at any time for <br> its convenience. The notice of termination shall specify that <br> termination is for the Procuring Entity's convenience, the <br> Contract is terminated, and the date upon which such <br> termination becomes effective. |
| 30.2 | The Goods that are complete and ready for shipment within <br> thirty (30) days after the Supplier's receipt of notice of <br> termination shall be accepted by the Procuring Entity at the |  |  |
| Contract terms and price. For the remaining Goods, the |  |  |  |
| Procuring Entity may elect: |  |  |  |$|$| a) | To have any portion completed and delivered at the <br> Contract terms and prices; and / or |
| :--- | :--- |
| 31. | Disputes <br> Resolution |
| To cancel the remainder and pay to the Supplier an <br> agreed amount for partially completed Goods and Services <br> and for materials and parts previously procured by the <br> Supplier. |  |
| 31.1 | In the event of any dispute arising out of this contract, either <br> party shall issue a notice of dispute to settle the dispute <br> amicably. The parties hereto shall, within twenty eight (28) <br> days from the notice date, use their best efforts to settle the <br> dispute amicably through mutual consultations and <br> negotiation. Any unsolved dispute may be referred by either <br> party to an adjudicator nominated by the appointing Authority <br> specified in SCC. |
| 31.2 | After the dispute has been referred to the adjudicator, within <br> 30 days, or within such other period as may be proposed by <br> the Parties, the Adjudicator shall give its decision. The <br> rendered decision shall be binding to the Parties. |
| 31.3 | If either Party is dissatisfied with the Adjudicator's decision <br> may, within days specified in the SCC refer the dispute for <br> arbitration. If either party within the period mentioned in the <br> SCC has not referred the matter for arbitration the decision <br> shall become final and binding to the Parties. |

| 32. | Procedure for Disputes | 32.1 | The arbitration shall be conducted in accordance with the arbitration procedure published by the Institution named and in the place shown in the SCC. |
| :---: | :---: | :---: | :---: |
|  |  | 32.2 | The rate of the Adjudicator's fee and administrative costs of adjudication shall be borne equally by the Parties. The rates and costs shall be in accordance with the rules of the Appointing Authority. In conducting adjudication to its finality each party shall bear its incurred costs and expenses. |
|  |  | 32.3 | The arbitration shall be conducted in accordance with the arbitration procedure published by the institution named and in the place shown in the SCC. |
| 33. | Replacement of Adjudicator | 33.1 | Should the Adjudicator resign or die, or should the Employer and the Supplier agree that the Adjudicator is not functioning in accordance with the provisions of the contract, a new Adjudicator will be appointed by the Appointing Authority. |
| 34. | Limitation of Liability | 34.1 | Except in cases of criminal negligence or willful conduct, and in the case of infringement pursuant to GCC 8, |
|  |  |  | a) The supplier shall not be liable to the Procuring Entity, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the Supplier to pay liquidated damages to the Procuring Entity; and |
|  |  |  | b) The aggregate liability of the Supplier to the Procuring Entity, whether under the Contract, in tort or otherwise, shall not exceed the total Contract Price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment or to any obligation of the Supplier to indemnify the Procuring Entity with respect to patent infringement.. |
| 35. | Notices | 35.1 | Any notice given by one party to the other pursuant to this Contract shall be sent to the other party in writing or in electronic forms that provide record of the content of communication and confirmed in writing or in electronic forms that provide record of the content of communication the the other party's address specified in SCC. |
|  |  | 35.2 | A notice shall be effective when delivered or on the notice's effective date, whichever is later. |
| 36. | Taxes and Duties | 36.1 | A foreign Supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the United Republic of Tanzania. |
|  |  | 36.2 | If any tax exemptions, reductions, allowances or privileges may be available to the Supplier in the United Republic of |

|  |  |  | Tanzania the Procuring Entity shall use its best efforts to <br> enable the Supplier to benefit from any such tax savings to the <br> maximum allowable extent. |
| :--- | :--- | :--- | :--- |
|  | 36.3 | A local Supplier shall be entirely responsible for all taxes, <br> duties, license fees, etc., incurred until delivery of the <br> contracted Goods to the Procuring Entity. |  |

## APPENDIX I: SCHEDULE OF REQUIREMENTS

## SCHEDULE OF REQUIREMENTS

| NO | Item Descriptions | Unity of <br> Measure | Qty | Delivery <br> schedule <br> (shipment) in <br> weeks |
| :---: | :--- | :--- | :---: | :--- |
| 1 | ICU Bed | Each | 108 | 1 to 16 weeks |
| 2 | Patient Monitor | Each | 90 | 1 to 16 weeks |
| 3 | Crash Cart Trolley | Each | 16 | 1 to 16 weeks |
| 4 | Nebulizer | Each | 8 | 1 to 16 weeks |
| 5 | Blood and Fluid Warmer | 17 | 1 to 16 weeks |  |
| 6 | Infusion Pump/Volumetric pump | Each | 43 | 1 to 16 weeks |
| 7 | Syringe Pump | Each | 62 | 1 to 16 weeks |
| 8 | Defibrillator | Each | 12 | 1 to 16 weeks |
| 9 | Instrument Trolley | Each | 21 | 1 to 16 weeks 16 weeks |
| 10 | Adjustable Mayo Table | Each | 1 | 1 to 16 weeks |
| 11 | Class II Biosafety cabinet | Each | 2 | 1 to 16 weeks |
| 12 | Pharmaceutical refrigerator | Each | 22 | 1 to 16 weeks |
| 13 | Air mattress | Each | 26 | 1 to 16 weeks |
| 14 | Cardiac Table | Each | 7 | 1 to 16 weeks |
| 15 | Stretcher collapsible trolley | Each | 85 | 1 to 16 weeks |
| 16 | Central Monitoring Station 16 Channel | Each | 6 | 1 to 16 weeks 16 weeks |
| 17 | Central vein catheter (CVC) | Each | 15 | 1 to 16 weeks |
| 18 | Universal traction unit for Lumbar and cervical | Each | 6 | 1 to 16 weeks |
| 19 | Oxygen Concentrator | Each | 40 | 1 to 16 weeks |
| 20 | Pop Cutter | Each | 40 | 1 to 16 weeks |
| 21 | Resuscitator/Ambubag | Each | 32 | 1 to 16 weeks |
| 22 | Stethoscope | Each | 6 | 1 to 16 weeks |
| 23 | ABS Multifunction transportation trolley |  |  |  |
| 24 | Ventilator |  |  |  |
|  |  |  |  |  |

|  |  | piggybacking Ingress protection not less than IPX2 Front Panel lockout Self-check carried out on powering on Events Stored System: Log book Pause Infusion Facility required Anti-bolus System to reduce pressure on sudden release of occlusion IV Set Free-Flow Protection and Air Trapping Capability Needleless IV connection "Dose Error" reduction system preferable Drug library software available, including updates (free during warranty) Air Bubble Detector with single and cumulative functions preferable Clearly visible optical alarms Acoustic Alarm not less than 45Db Real Time Display Availability of a Nurse call system connectable to a staff alerting system, $24 \mathrm{~V} / 0$ Occlusion upstream and downstream Air in line and System malfunction Set loaded improperly and Door Open Infusion Complete and Loss of mains power Low Battery and Clinical Advisory Messages Consumables labeled "single use" Compatible Administration Set: 100 Battery with operating time at least 4 hours at $25 \mathrm{ml} / \mathrm{hr}$ Automatic switch from AC mains power mode to battery operating mode and vice versa |
| :---: | :---: | :---: |
| 7 | SYRINGE PUMP | Microprocessor controlled programmed syringe pump Programming: Up to 99 steps of speed and time' Time Resolution: 0 to 999 minutes in 1 minute steps Time Resolution can be selected individually for each program step Accuracy: +- 1\% Reproducibility: +/-0.2\%Syringes: Glass, plastic. Metal syringes from 5 micro-liter to over 150 ml Flow Rate Range: Depends on the inner syringe diameter $0.4 \mathrm{nl} / \mathrm{min}$ with a 5 ml syringe to $110 \mathrm{ml} / \mathrm{min}$ with a 150 ml syringe <br> Maximum Force: 300 N reducible by a switch to 80 N Motor: Microprocessor controlled brushless long life BLDC motor with Neodymium magnets Transmission: Efficient force transmission by a ball screw with highest mechanical load capacity of $12,000 \mathrm{~N}$ Pusher Travel: 120 mm Pusher Travel Rate: Minimum: 0 <br> $08 \mathrm{~mm} / \mathrm{min}$ Maximum: $80 \mathrm{~mm} / \mathrm{min}$ Speed Control Range: 0 to 999 Non-volatile Memory: Storage of all settings Power Supply: 220-240V, 50Hz Interface: RS-485 or RS232 automatic valve control Remote Control: 0 - 10 V Operation Temperature: 0-40oC Operation Humidity: 0 $90 \%$ RH not condensing |
| 8 | DEFIBRILLATOR | Should be a Low Energy Biphasic defibrillator monitor with Recorder, having capability to deliver shocks from 2 Joules to 200Joules. Five years comprehensive Maintenance |

|  | inclusive. <br> Should monitor ECG through paddles, pads and monitoring <br> electrodes and defibrillate through pads and paddles <br> Should compensate for body impedance for a range of 25 <br> to 150 ohms. <br> Should have charging time of less than 5 seconds for <br> maximum energy. <br> Should have High resolution more than 8 inch colour <br> display for viewing monitoring parameters like ECG, SpO2, |
| :--- | :--- | :--- |
| NIBP and EtCO2 with 4 waveform capability of 4 seconds |  |
| Both Adult and Pediatric paddles should be available |  |
| Should have event summary facility for recording and |  |
| printing at least 55 events |  |
| Should have a battery capable of usage for at least 5 |  |
| hours of monitoring |  |
| Should be capable of printing Reports on event summary, |  |
| configuration, self-test, battery capacity etc Should have |  |
| facility for self test/check before usage and set up |  |
| function. |  |
| Should have facility to monitor parameters like SpO2, NIBP |  |
| and etCO2 along with non-invasive pacing (Demand and |  |
| Fixed mode) facility |  |
| Should be able to upgrade the defibrillator for 12 lead ECG |  |
| monitoring and ECG transmission System |  |
| Configuration Accessories, spares and consumables: |  |
| Defibrillator with AED and external Pacemaker - 1pc Adult |  |
| with built in Pediatric External Paddles - 1pc Patient Cables |  |
| $-1 p c$ ECG Rolls 50 Adult SpO2 reusable Sensor - 1pc Adult |  |
| NIBP Cuff and Hose - 1pc EtCO2 |  |
| Tubing (box of 20) -1box AED Multifunction Pads for |  |
| Adults - 10 pairs with Each unit. |  |
| The unit shall be capable of operating continuously in |  |
| ambient temperature of 5 to 45oC and relative humidity of |  |
| up to 95\% |  |
| Shall meet General Requirements of safety for |  |
| Electromagnetic Compatibility. |  |
| Power Input: 240 VAC, 50Hz |  |

APPENDIX IV: FORM OF TENDER AND THE PRICE SCHEDULE SUBMITTED BY THE TENDERER
anudha limited

## QUOTATION SUBMISSION FORM

$16^{\text {th }}$ November, 2021
To:
Executive Director, Benjamin Mkapa Hospital, P. O. Box 11088, Dodoma

We agree to supply the goods specified in the Schedule of Requirement and prices of Quotation No PA/148/2021-2022/G/88 in accordance with the Conditions of Contract accompanying this Bid for the Contract Price Tshs 4,502,095,000 /-, Four Billion, Five Hundred, Two Million and Ninety Five Thousand Only in Tanzanian Shillings

We also offer to deliver the said goods within the period of 1 week to 16 weeks after the LPO as specified in the schedule of requirement.

This quotation and your written acceptance of it shall constitute a binding Contract between us. We understand that you are not bound to accept the lowest or any quotation you receive.

We hereby confirm that this quotation complies with the conditions required by the invitation for quotations.

## STANDARD POWER OF ATTORNEY

## TO ALL IT MAY CONCERN

THAT BY THIS POWER OF ATTORNEY given on the $17^{\text {th }}$ day of November, 2021.
We the undersigned ANUDHA LIMITED of P.O. Box 5982 Morogoro Road, Dar es salaam by virtue of authority conferred to us by the Board Resolution No. 85 of $17^{\text {th }}$ day of November, 2021, DO HEREBY ordain and nominate ANURAG HASSIJA of P.O. Box 2019 Dar es salaam, to be our true and lawful ATTORNEY and Agent, with full power and authority, for us and in our names, and for our accounts and benefits to do any, or all the following acts in in the execution of Tender No. PA/148/2021-2022/G/88 that is to say;
To act for the company and do any other thing or things incidental for SUPPLY, INSTALLATION, TESTING, COMMISSIONING AND TRAINING OF ICU, EMD AND LABOLATORY MEDICAL EQUIPMENT FOR BENJAMIN MKAPA HOSPITAL, SINGIDA RRH, KITETE RRH AND DODOMA RRH.

AND provided always that this Power of Attorney shall not revoke or in any manner affect any future Power of Attorney given to any other person or persons for such other Power of Attorney or powers shall remain and be of the same force and effect as if this deed has not been executed.
AND We hereby undertake to ratify everything, which our attorney or any substitute or substitutes or agent or agents appointed by him under this power on his behalf hereinbefore contained shall do or purport to do in virtue of this Power of Attorney.

SEALED with the common seal of the said ANUDHA LIMITED and delivered in the presence of us this $17^{\text {th }}$ day of November, 2021.

IN WITNESS WHEREOF we have signed this deed on the $17^{\text {th }}$ day of November, 2021 at Dar es Salaam for and on behalf of ANUDHA LIMITED

SEALED with the Common Seal of ANUDHA LIMITED and DELIYERED at Dar es salaam in the presence of u this $\qquad$ day of November

## ACKNOWLEDGMENT

I, ANURAG HASSIJA, doth hereby acknowledge and accept to be Attorney of the said ANUDHA LIMITED under the terms and conditions contained in the POWER OF ATTORNEY and I promise to perform and discharge my duties as the lawfully appointed Attorney. I hereby accept the Special Power of Attorney conferred to me and I will act in good faith in honoring the powers so conferred to me.

SIGNED and DELIVERED at Dar es Salaam by the said ANURAG HASSIJA who is introduced/Identified to me by $\qquad$ the latter being known to me personally in, my presence this $\qquad$ day of $\qquad$ 2021

DONEE
