Compliance Program

We hereby confirm full compliance with all the tender Requirements.

We also understand that our Proposal will be disqualified from this Tender in the event any information given herein is found to be false.

We hereby authorize the officer named below to sign this Declaration to bind ourselves and the Tenderer to the matters set out herein.

Confidentiality

We are committed to maintaining the highest degree of integrity in all our dealings with potential, current and past clients, both in terms of normal commercial confidentiality, and the protection of all personal information received in the course of providing the business services concerned. We extend the same standards to all our customers, suppliers and associates.

Ethics

We always conduct our own services honestly and honorably, and expect our clients and suppliers to do the same. Our advice, strategic assistance and the methods imparted through our training, take proper account of ethical considerations, together with the protection and enhancement of the moral position of our clients and suppliers.

Duty of care

Our actions and advice will always conform to relevant law i.e. the law of the United Republic of Tanzania, and we believe that all businesses and organizations, including this consultancy, should avoid causing any adverse effect on the human rights of people in the organizations we deal with, the local and wider environments, and the well-being of society at large.

Contracts

Our contract will usually be in the form of a detailed proposal, activities, costs, timescales and deliverables. The quality of our service and the value of our support provide the only true basis for continuity. We always try to meet our clients' contractual requirements, and particularly for situations where an external funding provider requires more official parameters and controls.

Fees

Our fees are always competitive for what we provide, which is high quality, tailored, specialized service. That said, we always try to propose solutions which accommodate our clients' available budgets and timescales. Wherever possible we agree our fees and basis of charges clearly in advance, so that we and our clients can plan reliably for what lies ahead, and how it is to be achieved and financially justified.

Payment

We aim to be as flexible as possible in the way that our services are charged. Some clients prefer fixed project fees; others are happier with retainers, and we try to fit in with what will be best for the client. We make no attempt to charge interest on late payments, so we expect payments to be made when agreed. Our terms are generally net monthly in arrears.

Quality assurance

We maintain the quality of what we do through constant ongoing review with our clients, of all aims, activities, outcomes and the cost-effectiveness of every activity. We encourage regular review meetings and provide regular progress reports.

Professional conduct

We conduct all of our activities professionally and with integrity. We take great care to be completely objective in our judgment and any recommendations that we give, so that issues are never influenced by anything other than the best and proper interests of our clients.

Equality and discrimination

We always strive to be fair and objective in our advice and actions, and we are never influenced in our decisions, actions or recommendations by issues of gender, race, creed, color, age or personal disability.

39.	Change in the Facilities	39.1	<u>Introducing a Change</u> 39.1.1 Subject to GCC sub-Clauses 39.2.5 and 39.2.7, the Employer shall have the right to propose, and subsequently require, that the Project Manager order the Supplier from time to time during the performance of the Contract to make any change, modification, addition or deletion to, in or from the Facilities (hereinafter called "Change"), provided that such Change falls
-----	--------------------------	------	--

		<p>within the general scope of the Facilities and does not constitute unrelated work and that it is technically practicable, taking into account both the state of advancement of the Facilities and the technical compatibility of the Change envisaged with the nature of the Facilities as specified in the Contract.</p> <p>39.1.2 The Supplier may from time to time during its performance of the Contract propose to the Employer (with a copy to the Project Manager) any Change that the Supplier considers necessary or desirable to improve the quality, efficiency or safety of the Facilities. The Employer may at its discretion approve or reject any Change proposed by the Supplier, provided that the Employer shall approve any Change proposed by the Supplier to ensure the safety of the Facilities.</p> <p>39.1.3 Notwithstanding GCC sub-Clauses 39.1.1 and 39.1.2, no change made necessary because of any default of the Supplier in the performance of its obligations under the Contract shall be deemed to be a Change, and such change shall not result in any adjustment of the Contract Price or the Time for Completion.</p> <p>39.1.4 The procedure on how to proceed with and execute Changes is specified in GCC sub-Clauses 39.2 and 39.3, and further details and sample forms are provided in the Sample Forms and Procedures section in the Tendering Documents.</p>
		<p>39.2 <u>Changes Originating from Employer</u></p> <p>39.2.1 If the Employer proposes a Change pursuant to GCC sub-Clause 39.1.1, it shall send to the Supplier a "Request for Change Proposal," requiring the Supplier to prepare and furnish to the Project Manager as soon as reasonably practicable a "Change Proposal," which shall include the following:</p> <ul style="list-style-type: none"> (a) brief description of the Change (b) effect on the Time for Completion (c) estimated cost of the Change (d) effect on Functional Guarantees (if any) (e) effect on any other provisions of the Contract. <p>39.2.2 Prior to preparing and submitting the "Change Proposal," the Supplier shall submit to the Project Manager an "Estimate for Change Proposal," which shall be an estimate of the cost of preparing and submitting the Change Proposal.</p> <p>Upon receipt of the Supplier's Estimate for Change Proposal, the</p>

Employer shall do one of the following:

- (a) accept the Supplier's estimate with instructions to the Supplier to proceed with the preparation of the Change Proposal
- (b) advise the Supplier of any part of its Estimate for Change Proposal that is unacceptable and request the Supplier to review its estimate
- (c) advise the Supplier that the Employer does not intend to proceed with the Change.

39.2.3 Upon receipt of the Employer's instruction to proceed under GCC sub-Clause 39.2.2 (a), the Supplier shall, with proper expedition, proceed with the preparation of the Change Proposal, in accordance with GCC sub-Clause 39.2.1.

39.2.4 The pricing of any Change shall, as far as practicable, be calculated in accordance with the rates and prices included in the Contract. If such rates and prices are inequitable, the parties thereto shall agree on specific rates for the valuation of the Change.

39.2.5 If before or during the preparation of the Change Proposal it becomes apparent that the aggregate effect of compliance therewith and with all other Change Orders that have already become binding upon the Supplier under this GCC Clause 39 would be to increase or decrease the Contract Price as originally set forth in Article 2 (Contract Price) of the Contract Agreement by more than fifteen percent (15%), the Supplier may give a written notice of objection thereto prior to furnishing the Change Proposal as aforesaid. If the Employer accepts the Supplier's objection, the Employer shall withdraw the proposed Change and shall notify the Supplier in writing thereof.

The Supplier's failure to so object shall neither affect its right to object to any subsequent requested Changes or Change Orders herein, nor affect its right to take into account, when making such subsequent objection, the percentage increase or decrease in the Contract Price that any Change not objected to by the Supplier represents.

39.2.6 Upon receipt of the Change Proposal, the Employer and the Supplier shall mutually agree upon all matters therein contained. Within fourteen (14) days after such agreement, the Employer shall, if it intends to proceed with the Change, issue the Supplier with a Change Order.

If the Employer is unable to reach a decision within fourteen (14) days, it shall notify the Supplier with details of when the Supplier can expect a decision.

If the Employer decides not to proceed with the Change for whatever reason, it shall, within the said period of fourteen (14) days, notify the

		<p>Supplier accordingly. Under such circumstances, the Supplier shall be entitled to reimbursement of all costs reasonably incurred by it in the preparation of the Change Proposal, provided that these do not exceed the amount given by the Supplier in its Estimate for Change Proposal submitted in accordance with GCC sub-Clause 39.2.2.</p> <p>39.2.7 If the Employer and the Supplier cannot reach agreement on the price for the Change, an equitable adjustment to the Time for Completion, or any other matters identified in the Change Proposal, the Employer may nevertheless instruct the Supplier to proceed with the Change by issue of a "Pending Agreement Change Order."</p> <p>Upon receipt of a Pending Agreement Change Order, the Supplier shall immediately proceed with effecting the Changes covered by such Order. The parties shall thereafter attempt to reach agreement on the outstanding issues under the Change Proposal.</p> <p>If the parties cannot reach agreement within sixty (60) days from the date of issue of the Pending Agreement Change Order, then the matter may be referred to the Adjudicator in accordance with the provisions of GCC sub-Clause 6.1.</p>
		<p>39.3 <u>Changes Originating from Supplier</u></p> <p>39.3.1 If the Supplier proposes a Change pursuant to GCC sub-Clause 39.1.2, the Supplier shall submit to the Project Manager a written "Application for Change Proposal," giving reasons for the proposed Change and including the information specified in GCC sub-Clause 39.2.1.</p> <p>Upon receipt of the Application for Change Proposal, the parties shall follow the procedures outlined in GCC sub-Clauses 39.2.6 and 39.2.7. However, should the Employer choose not to proceed, the Supplier shall not be entitled to recover the costs of preparing the Application for Change Proposal.</p>
40.	Extension of Time for Completion	<p>40.1 The Time(s) for Completion specified in the SCC shall be extended if the Supplier is delayed or impeded in the performance of any of its obligations under the Contract by reason of any of the following:</p> <ul style="list-style-type: none"> (a) any Change in the Facilities as provided in GCC Clause 39 (b) any occurrence of Force Majeure as provided in GCC Clause 37, unforeseen conditions as provided in GCC Clause 35, or other occurrence of any of the matters specified or referred to in paragraphs (a), (b) and (c) of GCC sub-Clause 32.2 (c) any suspension order given by the Employer under GCC Clause 41 hereof or reduction in the rate of progress pursuant to GCC sub-Clause 41.2 or (d) any changes in laws and regulations as provided in GCC Clause

In the event that the Supplier does not accept the Employer's estimate of a fair and reasonable time extension, the Supplier shall be entitled to refer the matter to an Adjudicator, pursuant to GCC sub-Clause 6.1.</p>

Such notice shall specify the obligation of which performance is to be suspended, the effective date of the suspension and the reasons therefor. The Supplier shall thereupon suspend performance of such obligation (except those obligations necessary for the care or preservation of the Facilities) until ordered in writing to resume such performance by the Project Manager.</p> <p>If, by virtue of a suspension order given by the Project Manager, other than by reason of the Supplier's default or breach of the Contract, the Supplier's performance of any of its obligations is suspended for an aggregate period of more than ninety (90) days, then at any time thereafter and provided that at that time such performance is still suspended, the Supplier may give a notice to the Project Manager requiring that the Employer shall, within twenty-eight (28) days of receipt of the notice, order the resumption of such performance or request and subsequently order a change in accordance with GCC Clause 39, excluding the performance of the suspended obligations from the Contract.</p> <p>If the Employer fails to do so within such period, the Supplier may, by a further notice to the Project Manager, elect to treat the suspension,</p>

		where it affects a part only of the Facilities, as a deletion of such part in accordance with GCC Clause 39 or, where it affects the whole of the Facilities, as termination of the Contract under GCC sub-Clause 42.1.
		<p>41.2 If:</p> <p>(a) the Employer has failed to pay the Supplier any sum due under the Contract within the specified period, has failed to approve any invoice or supporting documents without just cause pursuant to the corresponding Appendix (Terms and Procedures of Payment) to the Contract Agreement, or commits a substantial breach of the Contract, the Supplier may give a notice to the Employer that requires payment of such sum, with interest thereon as stipulated in GCC sub-Clause 12.3, requires approval of such invoice or supporting documents, or specifies the breach and requires the Employer to remedy the same, as the case may be. If the Employer fails to pay such sum together with such interest, fails to approve such invoice or supporting documents or give its reasons for withholding such approval, or fails to remedy the breach or take steps to remedy the breach within fourteen (14) days after receipt of the Supplier's notice or</p> <p>(b) the Supplier is unable to carry out any of its obligations under the Contract for any reason attributable to the Employer, including but not limited to the Employer's failure to provide possession of or access to the Site or other areas in accordance with GCC sub-Clause 10.2, or failure to obtain any governmental permit necessary for the execution and/or completion of the Facilities,</p> <p>then the Supplier may by fourteen (14) days' notice to the Employer suspend performance of all or any of its obligations under the Contract, or reduce the rate of progress.</p>
		<p>41.3 If the Supplier's performance of its obligations is suspended or the rate of progress is reduced pursuant to this GCC Clause 41, then the Time for Completion shall be extended in accordance with GCC sub-Clause 40.1, and any and all additional costs or expenses incurred by the Supplier as a result of such suspension or reduction shall be paid by the Employer to the Supplier in addition to the Contract Price, except in the case of suspension order or reduction in the rate of progress by reason of the Supplier's default or breach of the Contract.</p>
		<p>41.4 During the period of suspension, the Supplier shall not remove from the Site any Goods, any part of the Facilities or any Supplier's Equipment, without the prior written consent of the Employer.</p>
42.	Termination	<p>42.1 <u>Termination for Employer's Convenience</u></p> <p>42.1.1 The Employer may at any time terminate the Contract for any reason by giving the Supplier a notice of termination that refers to this GCC sub-Clause 42.1.</p> <p>42.1.2 Upon receipt of the notice of termination under GCC sub-</p>
